Attention of Mr. G. Suozzi

Dear Sir:

I am enclosing you a copy of a letter I received. I would like very much to accommodate this Group and transport them in my bus for this days outing. The place they are going is about fifteen miles from Newark to a lake near Paterson, N. J. I will have my same bus driver drive the bus, and there will be of course no charge for this service.

I hesitated to do it without consulting your Department, as my license was issued with the understanding no one would be transported but ball players. I will appreciate hearing from you at once, as the Group is waiting for my answer, as you can see.

Very truly yours,

EM:CCJ
